What is a Safety Council?

Thousands of Ohio employers find value and workers' compensation premium savings by actively participating in their local safety councils. And you can join them!

A safety council is a group of business people from managers to laborers to those who are in charge of their company's safety program. We meet once a month, over breakfast, with a different speaker each meeting to discuss various safety issues in the workplace.

Learn techniques for increasing safety in your workplace:

- Learn how to better manage your workers' compensation program
- Network with other employers in your community
- Access useful, money-saving workers' comp and risk management information

How do I become a member?

That's easy! Just fill out the Membership Application (on the reverse) return by mail or scan it to us. You can join anytime, but to be eligible for BWC's safety council rebate, we must process your enrollment by July 31st.

Enrollment in the Greene County Safety Council is open to all private companies, self-insured, public employers, and state agencies in Ohio who pay premiums to the workers' compensation system

What is the BWC premium rebate and how do I become eligible to receive it?

The Bureau of Workers' Compensation (BWC) began offering a premium discount for participation in safety councils in 2004.

"Active" Members must:

- Be enrolled in a local safety council by July 31st.
- Attend 10 approved meetings or events, at least 8 through the local safety council. Up to 2 of the 10 can be external approved educational options, but all 10 can be safety council meetings. It is the employer's responsibility to submit documentation to his/her safety council by June 30th, for attendance at non-safety council training or events to qualify.
- CEO, or highest-ranking authority, must attend one safety council-sponsored function or meeting (this counts as 1 of the 10 required meetings).
- Submit semi-annual reports for the required calendar year.

Requirements to receive the 2% premium rebate and the 2% performance bonus

2% Premium Rebate

- Employers meeting these participation eligibility requirements will receive a rebate of 2% of their annual premium.
- The rebate offer excludes self-insuring employers and state agencies. However, BWC encourages everyone to become active safety members.
- Employer must have active coverage status and no outstanding BWC balance to qualify.

2% Performance Bonus

- Employers who reduce their frequency or severity by 10% or more below the previous year's frequency or severity, or employers who maintain both frequency and severity at zero will receive an additional 2% refund of their annual premium.

Your Invitation to Participate!

Anyone is welcome to attend an upcoming meeting or program to find out more about the Greene County Safety Council. For more information, contact the Xenia Area Chamber of Commerce by email at admin@xacc.com, or call 937.372.3591
