

Community Offers

Grow Your Business!

With over 84 million policies and accounts in more than 27 million households, we created the State Farm® Community Offers program to help our community save.

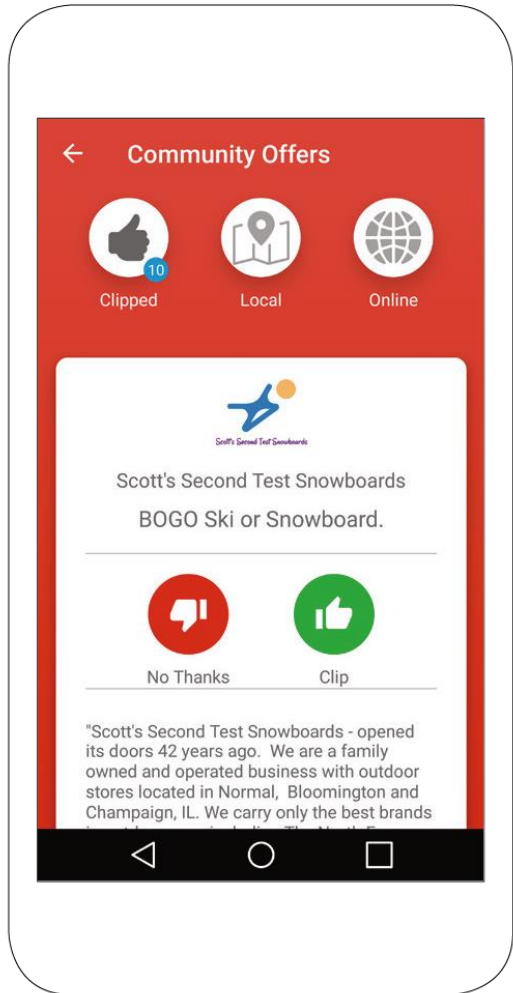

FOR INTERNAL STATE FARM USE ONLY

Contains information that may not be disclosed outside State Farm without authorization.

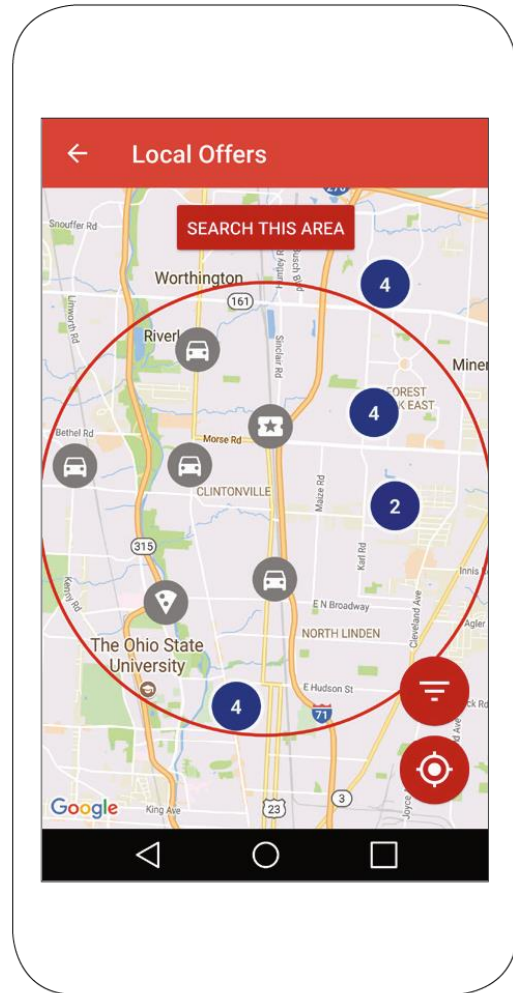

Here's how it works:

- Our customers download the State Farm mobile app or log onto statefarm.com[®] to manage their policies and bank accounts.
- The app uses this connection to ask their interests.
- The app presents daily offers to customers tailored to their interests.
- You build traffic to your business while we strengthen relationships.
